Environmental & Sustainability Policy

Ever-So-Lean Limited

1. Policy Statement

Ever-So-Lean Ltd is committed to operating in a responsible and sustainable manner that minimises environmental impact while supporting long term social and economic wellbeing. We recognise that organisations have a responsibility not only to improve performance, but to do so in a way that respects people, communities, and the environment.

As a consultancy and training provider, we aim to embed sustainable thinking into the way we work, deliver services, and support our clients. We are committed to continual improvement in our environmental performance and to encouraging sustainable behaviours throughout our operations and supply chain.

2. Our Commitments

Ever-So-Lean Ltd is committed to:

- Complying with all relevant environmental legislation and regulations
- Reducing waste and promoting responsible use of resources
- Encouraging digital working practices to minimise unnecessary printing and travel
- Using energy, water, and materials efficiently
- Promoting recycling and responsible disposal of waste
- Considering environmental impact when selecting suppliers and partners
- Supporting remote and virtual delivery methods where appropriate to reduce travel emissions
- Encouraging continuous improvement and sustainable thinking across our business activities
- Raising awareness of environmental responsibility with associates, learners, clients, and partners

3. Practical Actions

To support this policy, Ever-So-Lean Ltd will:

- Use electronic documentation and cloud based systems wherever practical
- Minimise paper usage and print only where necessary
- Recycle office waste where facilities exist
- Plan travel efficiently and prioritise virtual meetings and training where appropriate
- Select suppliers and venues that demonstrate responsible environmental practices where possible
- Regularly review business activities to identify opportunities to reduce environmental impact

4. Continuous Improvement

Environmental sustainability is viewed as an ongoing journey rather than a one off activity. Ever-So-Lean Ltd will regularly review its practices, policies, and ways of working to identify opportunities for improvement and to support a more sustainable future.

5. Responsibility

Overall responsibility for this policy rests with the Director of Ever-So-Lean Ltd. All employees, associates, and contractors are expected to support and work in line with this policy.
